

PARENTS FEEDBACK ANALYSIS FOR THE YEAR 2019-20

Parents have entrusted the future of their wards into our hands and thus they play an active role in participating for the holistic development of their wards. The feedback analysis process has put an increasing emphasis on the need for involvement of parents in the quality assurance of excellent education. The format of feedback forms is shared by IQAC committee to Parents Teacher Meet Committee. The feedback forms are distributed among the parents on the P.T.M. The collected feedback is then submitted to IQAC committee for analysis and necessary actions at their end.
