Current trends in prevention and management of HIV on World AIDS Day

1st December 2022

NSS unit, Red Ribbon and Health Club organised an AIDS Awareness Seminar on World AIDS Day under the able guidance of Madam Principal Dr. (Mrs.) Neeru Sharma. Approximately 60 students attended this seminar. Dr.(Mrs.) Sukhwinder Kaur and Mrs.Samita Khajuria (Incharges NSS Unit) were present there. Mrs. Gurdeep Kaur (Incharge Red Ribbon and Health Club) explained the meaning of AIDS, its symptoms, its mode of transmission and HIV virus. Ms.Neha (Asst.Prof. in Zoology) explained the myths related to AIDS, its preventive measures, precautions and how to treat AIDS patient in society. Students asked their queries. Principal Dr. Neeru Sharma also addressed the students to remain aware about such disease and also told them to make aware their family members, neighbors, friends and society. College Principal Dr. Neeru Sharma appreciated the efforts of incharges to make seminar successful.
