Entrepreneurship in Alteration and Renovation Services

21st January-31st January 2023

Fashion Designing department of the college organised 10-day workshop on 'Entrepreneurship in Alteration and Renovation Services' from 21st Jan -31st Jan, 2023. 18 students attended this workshop.

An exhibition cum sale was organized by the Fashion Designing Department and Entrepreneurship Cell of our college on 22nd February, 2023. The event aimed to provide a platform for budding entrepreneurs and students of fashion designing department. The exhibition featured a wide range of articles , including decorative bottles, painted cushions, canvas paintings, tie and dye dupattas, block printed dupattas, aprons, plazos, Kurtis, ponchos and home decor items . Entrepreneurship Cell guided and motivated them to do better.

The event was attended by a large number of students and faculty members.

The college Principal was highly impressed by the products and the activities of the event, and appreciated the efforts of the organizing team.
