Online workshop on Research Methodology

27th January 2023-29th January 2023

Pt. Mohan Lal SD College for Women, Gurdaspur is always committed to help students and faculty members in their academics and research areas. Our emphasize is on conducting awareness sessions, PDPs, orientation sessions and to inculcate research aptitude amongst faculty and students . So, moving in this direction, Commerce Department organised a three day National Online workshop on 27th, 28th and 30th January, 2023 respectively in which more than 100 faculty members and PG students from different institutes all over India like Bangalore, Tamilnadu, Banaras Ahmadabad, Maharashtra etc. have participated. A summarised report on workshop is as given below :

DAY 1

Topic: 'Ethical Issues in Research'

Resource person: Dr. Ekjot Kaur, Assistant Prof. in Commerce, DAV College Jalandhar.

The resource person touched the various ethical aspects of research with the help of PPT. During her session, the participants got to know about the ethical issues in Research and the softwares used for checking plagiarism and how much plagiarism is acceptable. She gave answers to all the queries of participants very effectively.

DAY 2

Topic: Formulation of Research proposal

Resource Person: Dr. Sanjay Patel, Assistant Prof. in Commerce, Central University Ajmer, Rajasthan.

Sir gave a brief idea about the meaning of Research proposal. He told that our research topic should be precise and narrative. He then talked about the features of a good research proposal. After this session the participants learned about

1. The contents of the research proposal .
2. The features of good research proposal .
3. The do's and dont's of a good research proposal .
