### Quality Policy

The college is committed to provide quality education to the students enabling them to excel in every field and to cater to the changing and challenging needs of society and industry.

To meet global standards of excellence in all endeavors encompassing teaching, Research, Consultancy, and continuing education and to remain focused in our core and support functions through the following initiatives :

1. Maintaining state-of-the-art infrastructure and congenial learning environment.
2. Contributing to the academic standing and overall holistic development of the students.
3. Disseminating practical and technical knowledge programmes.
4. Enhancing the competence of the faculty and to make them adopt all modern and innovative methods in teaching-learning process.
5. Inculcating moral and ethical values among the students and staff.
6. Collaborating with industry, other institutions and organizations for mutual benefit.
7. Promoting Research and Development programme for the faculty.
8. To meet the needs and expectations of our stakeholders.
