

# **Pt. Mohan Lal S.D. College for Women, Gurdaspur**

## **Central Association**

The college has a well functional Student Council known as Central Association. It is a platform created to give students representation in academic, extra-curricular and charitable activities of the college. Central Association is installed every year in our college. Our students of CA remain active throughout the session in various projects like Diwali project -‘Sharing happiness with others’ , Lohri Project – Samvedhna and Project -Prayas in which students visit old age home, leprosy home, slum area etc. During all important college functions, rallies, awareness campaigns and different projects, CA members are always on their toes.

### **Objectives of Central Association**

- To render useful contribution in running the college and establish harmonious atmosphere inside the institution.
- To inculcate sense of devotion towards duty, honesty, team spirit, discipline, confidence, and habit of serving others among the students.
- To provide an opportunity for students to engage in a structural partnership with teachers and other students to create a sense of responsibility among them.
