

Institution's Innovation Council (IIC) Report

The Institution's Innovation Council of Pt. Mohan Lal SD College for Women, Gurdaspur aims to streamline and strengthen the innovation and start-up ecosystem in the campus so that the students can develop the skill set which enables critical thinking, design thinking, innovative thought process and encourages an entrepreneurial mindset. The mission is to inspire and nurture innovation and entrepreneurship skills among the young minds so that they could emerge as resourceful, committed citizens.

Every year, the Union Ministry of Education evaluates and ranks institutes based on their performance and activities conducted throughout the year. This year, the highly anticipated rankings were released on 16th November 2023.

After registering with the Institution Innovation Council in **December 2022**, PTMLSD College has excelled over the past 10 months and achieved a **two-star rating for 2022-23 academic session**. This achievement would not have been possible without the unwavering support from the College Management and the collective efforts of our IIC team, guided by the committed leadership of IIC **President, Principal Dr. (Mrs.) Neeru Sharma** and **IIC-Convener Dr. Ravneet Kaur**. Dr. Ravneet Kaur further affirmed that our college's IIC will continue to organize and execute more activities, determined to attain even higher stars in the future rankings. This recognition is a testament to our institute's commitment towards holistic development and providing students with a conducive learning environment. We are proud of this accomplishment and will continue to strive for excellence in all our endeavors.

2 Star Rating Certificate issued by the Ministry of Education

Certification of Dr. Ravneet kaur-Innovation Ambassador under Ministry of Education

Innovation Ambassador Training launched by the Ministry of Education's innovation Cell, and AICTE. Objective of Training Program Institution Innovation councils at institutes envisioned an instrumental role to drive innovation and startup ecosystem at campus while connecting with ecosystem enablers at

the regional and national levels. There were two levels of training organized by IIC, Foundation Level and Advance Level. The beneficiaries of these training programs will join the network as "IIC Innovation Ambassador" and will perform the role of mentor in their respective IICs, these Innovation Ambassadors will provide support to other IICs as a resource person in organizing various programs related to innovation and start-up and spread the message of innovation & start-up among the students and faculties. After completion of training, Innovation Ambassadors will have to complete various activities as prescribed and suggested by IIC, MIC.

Activities Conducted by IIC

IIC Calendar Activities

- **Workshop on 'Prototype/Process Design and Development'**

The Innovation Activity Cell under the Institution's Innovation Council (IIC) organized a workshop on 'Prototype/Process Design and Development' on 24th April 2023. The workshop was conducted by Mr. Sachin Gupta. The objective of the workshop was to help students understand the importance of prototype design and process development in the product development cycle.

The workshop was divided into two parts. The first part focused on prototype design, where Mr. Sachin Gupta discussed the various stages involved in designing a prototype. In the second part of the workshop, Mr. Sachin Gupta discussed the process design and development. The workshop was appreciated by the college Principal, who acknowledged the efforts of IIC Convener Dr. Ravneet Kaur and Innovation Activity Cell Coordinator Er. Surkhab Shelly in organizing the event.
