Dear Sdians...

It gives me immense sense of fulfilment when I look at the monthly edition of college e-Magazine '**DARPAN**'. The essential purpose of e-magazine '**DARPAN**' is to inform, engage and inspire faculty, students, parents, alumni and our stakeholders. This e-magazine endeavors to reflect the values and the long tradition of excellence of the institution itself. Throughout the year campus buzzes with various activities that makes learning experience at SD Gurdaspur, a unique one. The perpetual efforts of the faculty, students and clubs/societies of the college in keeping the campus alive are commendable. Workshops, conferences, competitions, rallies, sports, guest lectures, FDPs, PDPs and a great variety of activities that corroborate academic learning help our students to grow in the real sense.

I congratulate editors for giving practical shape to my idea of e-magazine and wish all the best for inspired and result oriented session.

Dr. (Mrs.) Neeru Sharma
Principal

SKILL DEVELOPMENT COURSES

Keeping in mind the guidelines of New Education Policy (NEP), IQAC of the college in collaboration with various departments organised 5 skill development courses.

The **Department of Commerce** organized a Certificate Course in **'Retail Management.'** The main purpose of this course was to develop skills among students to understand the insights of actual working of the stores and what a Retail manager and a Retailer is expected to do in this field. 35 students were enrolled for this course. The course instructors Ms. Manbir Kaur and Ms. Rythema covered the basics of Retail Management, Retail Store operations, visual merchandising, franchising etc. Students were engaged in various activities like Quiz on Retail management; Retail Exhibition; A visit to Retail outlet DA Retail Enterprises; and Group discussion on best local retailing strategy.

The **English Department** organized a certificate course on **'Soft Skills'**. Soft skills are character traits that determine how well one would handle themselves when interacting and working with different people. During this course various domains were touched like PowerPoint presentation on topic communication, Group discussion, Quiz competition on soft skills and Extension lecture on 'How to be a good speaker'. At last, a test was conducted in which objective type questions were asked. The students successfully completed their course by answering these questions.

SKILL DEVELOPMENT COURSES

The **Science Department** organized a Certificate Course on '**Basics of Experimental Techniques**'. Mrs. Gurdeep Kaur (Asst. Prof. in Chemistry) gave **PPT** on Experimental Techniques of Separation and then conducted PH determination experiment. Students tested various samples like milk, vinegar, lemon, orange etc. for PH determination. Ms. Richa Mahajan (Asst. Prof. in Physics) showed Power point presentation on topics 'Uses of spectrometers' and 'Simple Pendulums'. She conducted a survey on consumption of electricity by various appliances used in the college campus and showed all the appliances like solar lights, generator, induction stove etc. One day field visit was planned to Keshopur Wetland - Miani Community Reserve. A Quiz Competition was also conducted on Basics of Experimental Techniques. Mrs. Sonam (Asst. Prof. in Zoology) gave a presentation on 'Introduction of Zoology Equipments'. Ms. Richa Saini (Asst. Prof. in Botany) gave a PPT on 'Commercial Plants and its Uses'. The faculty of Science covered various practical aspects of the course.

During this course a one-day workshop on Laboratory Equipment and Techniques used in Biology was also organised by the Science department. The resource person was Dr. Paramjit Singh Bagga (Ex. Professor and Director of Punjab Agriculture University). On the last day of this course, a written test was conducted.

SKILL DEVELOPMENT COURSES

The **Department of Computer Science** organized two Skill Development Courses on '**C/C++**' and '**Web Designing**' in which 50 students were enrolled. The course instructors Ms. Rajni and Ms Pooja Sharma covered the basics of C and C++ including data types, arrays, strings, functions, structures, operators etc. The Web Designing course instructors Ms. Jagpreet Kaur and Er. Harpreet Singh covered the basics of Web designing including html structure, basic tags, forms, tables, frames, hyperlinks , working of internet etc. Also, students were engaged in various activities such as group discussion on the topic- 'Is advancement in technology good or bad? Typing speed test competition; Quiz on C/C++and web designing. A guest lecture was arranged on '**Computer Languages – The Driving Force of Computer Hardware**'. Ms. Priyanka Gupta was the resource person.

WORKSHOP ON CALLIGRAPHY

The **Fine Arts department** of the college organised a Certificate Course on 'Artistic Entrepreneurship' from 23rd January 2023 to 5th February 2023. 25 students joined this course. For providing practical exposure to the students one workshop was arranged on '**Calligraphy.**' Ms. Taranjit Kaur, resource person provided hands-on training and gave certain calligraphy tips to students. After the completion of this course, the Fine Arts department in collaboration with Entrepreneurship cell (Incharges Er. Surkhab Shelly and Dr. Khushboo Aggarwal) organized an exhibition cum sale. Students prepared Shagun envelopes, fridge magnets and greeting cards.

PATRIOTIC WEEK

Keeping in mind the concept of holistic education, it has always been our endeavor to inculcate patriotism among our students. Every year **Patriotic week** is celebrated in the month of January. 126th Birth anniversary of **Neta ji Subhash Chandra Bose** was celebrated by History department in collaboration with NSS Club of the college. Essay writing and poster making competition were organized in which 15 students of the college participated. **Slogan writing** competition was also organized by Patriotic Club and Economics department of the college. **National Voter's Day** was celebrated by the Political Science department and **NSS Club** of the college BLOs, Gurdaspur, especially participated in this event. **SVEEP** Oath was taken by faculty and students. Apart from this, NSS Club organized an awareness lecture in adopted village Babowal about the importance of voting. History department of the college celebrated the **Birth anniversary** of Great freedom fighter **Lala Lajpat Rai**. Fashion Designing department organized a **face painting** competition, Fine Arts department organized a **slogan writing** competition and Home Science department prepared dishes on the theme of **TIRANGA**. Sociology department organized a webinar on '**Gandhi Ji and the Idea of People's Democracy**'. The keynote speaker was Mr. Randhir Gautam, from Gwalior. Our students also performed Giddha at District level **Republic Day** celebrations and got an appreciation certificate.

NATIONAL YOUTH DAY

Under **MGNCRE (Mahatma Gandhi National Council of Rural Education)** Student Self Help Group (SSGHs) JANUARY -2023 celebrated National Youth Day (Birth anniversary of India's great philosopher and thinker Swami Vivekananda Ji) in a very unique way.

Under the **Samvedna project**, Sh. Hira Arora, President Chinmay Mission, Gurdaspur was invited as chief guest who also donated fruits and juices for children. Woollen sweaters were given to maintenance staff of the college.

Under **Neki Ki Diwar**, woollen caps, socks and eatables were distributed to old women of village Babowal (adopted village of NSS). Eatables were also distributed to children.

LOHRI CELEBRATION

Lohri festival was celebrated by the incharges of **Heritage Club and Youth Welfare Club**. A cultural presentation was also given by the students and staff. In the end Lohri and sweets were distributed among the college family.

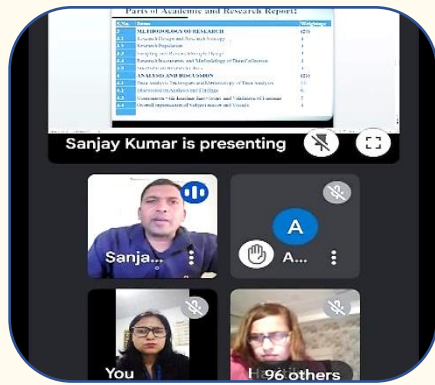

SKILL BASED WORKSHOPS

With an aim to enhance the skills among students, three-day online workshop on ' Video Editing' and ' Digital Marketing' were organized by the college in collaboration with MGNCRE (Mahatma Gandhi National Council of Rural Education), Department of Higher Education. Mr. Samarth Sharma from MGNCRE and Mr. Ajay Tanwar, an educationist were the keynote speakers. Mr. Samrath Sharma explained the video production process i.e. Pre-production (concept, treatment, story board and video script), Production (filming, lightning, directing and acting) and Post - production (capturing video, editing, titling and audio/sound effect). Mr. Ajay Tanwar explained the process of Digital Marketing as it is one of the top skills to learn. He made the students aware about the vital role of Google, YouTube, Instagram, WhatsApp, Facebook and Twitter in digital marketing. He also explained about content marketing, social media marketing and mobile marketing. 150 students attended these workshops with keen interest. College Principal appreciated Mrs. Samita Khajuria for arranging these workshops.

RESEARCH METHODOLOGY WORKSHOP

Our college is always committed to help students and faculty members in their academics and research areas. Commerce department organized a three day National online workshop in which more than 100 faculty members and PG students from different institutes all over India like Bangalore, Tamilnadu, Banaras, Ahmadabad and Maharashtra have participated. On first day Dr. Ekjot Kaur, Assistant Prof. in Commerce, DAV College Jalandhar, was the resource person and gave her lecture on 'Ethical Issues in Research'. She touched the various ethical aspects of research with the help of PPT. On second day, Dr. Sanjay Patel, Assistant Prof. in Commerce, Central University Ajmer, Rajasthan, was the keynote speaker and his topic was 'Formulation of Research Proposal'. He gave a brief idea about the meaning of Research proposal. He told that our research topic should be precise and narrative. On third day, Dr. M.M Gopala Krishna Associate Professor, School of Business and Management Christ deemed to be University, Bengaluru, Karnataka was the resource person and his topic was "Thesis Writing ". He mentioned that methodology should begin by describing research question and the type of data used in answering it. He also elaborated the components of thesis. College Principal appreciated the efforts of the commerce department.

CAREER GUIDANCE ACTIVITY

District Bureau of Employment and Enterprises, Gurdaspur (DBEE) organized a Career Counselling session on Job selection process and preparations for jobs in banking and financial sector in our college premises. 40 students from our college participated in this session. The DBEE officer guided the students about the aim of DBEE and their recruitment process. Placement officer gave the knowledge about various job hunting sites like 'Naukri.com' and 'Freejobalert.com' etc. They also enlightened the students about the various government skills programs Which are absolutely free of cost and can help in enhancing their skill development.

STEPS TO BECOME A SMART STUDENT

- **The most important duty of a student is to excel in academic matters. A student cannot be judged only by the performance in exams. But in this world of massive competition one who want be successful in life has to be good in studies also.**
- **A smart student is supposed to have a burning desire to acquire more knowledge. He has to explore all sources of knowledge available to him. He should have an internal craving which leads to acquire new information, creative ideas and truths.**
- **According to our tradition we give equal respect to our teachers as we give to our parents. The teacher's only duty is to show students the source of knowledge and give the directions how to acquire it. Its lies upon the duty of the student to take due initiative and move forward.**
- **Without patience not a single person has achieved anything in this world. Don't be disappointed by the initial failures.**
- **Success is for person who has real patience to achieve his goal. A seed has the potential to become a tree, but it takes years of struggle to achieve it.**
- **One should always aim at stars, but he has to stand firm on the ground. A good student will be always ready to sacrifice his petty interests and pleasures for the sake of a great goal.**
- **A smart student should be punctual, whether it is for class, game or study. He will also be responsible in his duties and assignments. These two qualities come from one's understanding of the preciousness and value of time.**
- **Today books play an important role in satisfying the intellectual thirst of man. Books are considered windows to the world. Through these windows the light of knowledge and the fresh air of wisdom get into our lives. A smart student who loves books and cherishes reading is really a good one.**
- **A smart student should have powerful communicative skills. He may have enough knowledge, but if he lacks the ability to convey it to another, it could be a hurdle on his way to progress. How one speaks is equally important like what he speak.**

- Charter formation is an important part of education. All the knowledge in the world won't help a person if he has lost his character.
- A smart student will be endowed with the ability to think clearly and critically. He doesn't simply believe what another says or written in a book. He accepts what is right and rejects what is wrong. The one who is satisfied with what he gets from the other sources will never be a successful student.
- Experience is the best teacher because the lessons taught by them are never forgotten. But it is also a fact that everybody doesn't learn from them. A wise student learns not only from his experience but also of others. His thinking is very clear. He draws lessons from the experience of other people.
- Creativity is nothing but the ability to look at things from a new perspective. It is true that nobody creates anything in this world. Whatever we call new is actually a remodelling of the old. In that sense, creativity is trying out something in one's own way.
- In simple terms, enthusiasm can be defined as a dynamic way of doing way something. The uniqueness of enthusiasm is that it can be transmitted from one person to another. In other words, an enthusiastic leader or member of team can surely inspire other members in the team to be equally enthusiastic.
- Many think that study is all about learning the matters given in the textbooks as they will give much knowledge about a particular subject. But the search for knowledge should not end with the course book or workbook. One should find time for reading extra books dealing with the same topic. It will help one to have vivid understanding of the topic.
- Be imaginative to be a successful student in life. Imagination leads to creative ideas through which a student can make himself be different in his school or college days.

DR. RAVNEET KAUR

ASSISTANT PROFESSOR

DEPARTMENT OF COMMERCE

THE GROUP OF TWENTY - G20

INTRODUCTION

The Group of Twenty, or G20, is the premier forum for international cooperation on the most important aspects of the international economic and financial agenda. It brings together the world's major advanced and emerging economies. The G20 comprises Argentina, Australia, Brazil, Canada, China, EU, France, Germany, India, Indonesia, Italy, Japan, Mexico, Russia, Saudi Arabia, South Africa, South Korea, Turkey, UK and USA. The G20 Countries together represent around 90% of global GDP, 80% of global trade, and two thirds of the world's population.

OBJECTIVES

- ❖ Policy coordination between its members in order to achieve global economic stability, sustainable growth
- ❖ To promote financial regulations that reduce risks and prevent future financial crises.
- ❖ To create a new international financial architecture.

INDIA'S PRESIDENCY

"India's G20 Presidency will work to promote this universal sense of one-ness. Hence our theme - 'One Earth, One Family, One Future'" – Prime Minister. India will convene the G20 Leaders' Summit for the first time in 2023, as 43 Heads of Delegations- the largest ever in the G20–will participate in the final New Delhi Summit in September later this year. As a nation committed to democracy and multilateralism, India's presidency will be a significant milestone as it seeks to find practical global solutions for the benefit of all and embody the idea of "Vasudhaiva Kutumbakam," or "the world is one family."

The G20 Summit is held annually with a rotating presidency, and in 2023, India will hold the presidency. The group does not have a permanent secretariat and is supported by the previous, current, and future holders of the presidency, known as the troika. In 2023, the troika consists of Indonesia, Brazil, and India. The summit will conclude a series of meetings throughout the year, with potential host cities for meetings from December 2022 to February 2023 including- Bengaluru, Chandigarh, Chennai, Guwahati, Indore, Jodhpur, Khajuraho, Kolkata, Lucknow, Mumbai, Pune, Rann of Kutch, Surat, Thiruvananthapuram, and Udaipur. Vasudhaiva Kutumbakam, which translates to "One Earth, One Family, One Future," is the theme of India's G20 presidency. It is inspired from the Maha Upanishad, an old Sanskrit scripture. The theme fundamentally highlights the importance of all life—human, animal, plant, and microorganism—as well as their interdependence on Earth and across the universe. The theme also exemplifies LIFE (Lifestyle for Environment), which highlights the importance of environmentally sustainable and responsible lifestyle choices, both at the individual and national level, in creating a cleaner, greener, and bluer future. The G20 Presidency also heralds for India the start of "Amritkaal," a 25-year period commencing from the 75th anniversary of its independence on August 15, 2022, leading up to the centenary of its independence.

INDIA'S G20 PRIORITIES

Green Development, Climate Finance & LIFE

- ❖ India's focus on climate change, with a particular emphasis on climate finance and technology, as well as ensuring just energy transitions for developing countries.
- ❖ Introduction of the LIFE movement, which promotes environmentally-conscious practices and is based on India's sustainable traditions.

ACCELERATED, INCLUSIVE & RESILIENT GROWTH

- ❖ Focus on areas that have the potential to bring structural transformation, including supporting small and medium-sized enterprises in global trade,

promoting Labour rights and welfare, Addressing the Global Skills Gap, and building inclusive agricultural value chains and food systems.

ACCELERATING PROGRESS ON SDGS

- ❖ Recommitment to achieving the targets set out in the 2030 Agenda for Sustainable Development, with a particular focus on addressing the impact of the COVID-19 pandemic.

TECHNOLOGICAL TRANSFORMATION & DIGITAL PUBLIC INFRASTRUCTURE

- ❖ Promotion of a human-centric approach to technology and increased knowledge-sharing in areas such as digital public infrastructure, financial inclusion, and tech-enabled development in sectors such as agriculture and education.

MULTILATERAL INSTITUTIONS FOR THE 21ST CENTURY

- ❖ Efforts to reform multilateralism and create a more accountable, inclusive, and representative international system that is fit for addressing 21st century challenges.

WOMEN-LED DEVELOPMENT

- ❖ Emphasis on inclusive growth and development, with a focus on women empowerment and representation in order to boost socio-economic development and the achievement of SDGs.
