

## Monthly Newsletter of Pt. Mohan Lal SD College for Women, Gurdaspur

### District Level Competition: Awareness on Health Issues

A District Level Competition was successfully organized by the Red Ribbon Club and Health Club of the college in collaboration with the Assistant Director Youth Services, Gurdaspur. The event received valuable support from Mr. Ravi Pal, Assistant Director Youth Services, Gurdaspur, and Mr. Vishal, accountant, Youth Services Gurdaspur. The competition comprised three major events like Slogan Writing, Poster Making and Declamation. A total of 77 students from 13 colleges of Gurdaspur district participated enthusiastically in the competition. The participants displayed remarkable creativity, originality and confidence, which added vibrancy and significance to the event. Award of honour was presented to College Principal and Appreciation Awards were presented to Science faculty members. The winners in all three categories were awarded trophies and certificates for their outstanding performances. A rally was also organised at the end of the program to create awareness among youth about drug abuse and HIV/AIDS.

### Patriotic Week : Fostering Democratic Values

Social Sciences Club organized Patriotic Week to promote the spirit of patriotism among students. Birth Anniversary of Neta Ji Subash Chandra Bose was celebrated by History dept. A documentary film on Netaji's life and achievements was screened and a quiz competition was also organized. Political Science dept. and Electoral Literacy Club in collaboration with District Administration celebrated National Voter's Day. S. Gurpreet Singh, Naib Tehsildar was the Chief Guest. Republic day was celebrated by the Youth Club, Patriotic Club and NSS of the college. Our students participated in a cultural event at District Republic Day. Sociology dept. commemorated the birthday of Lala Lajpat Rai Ji. A short documentary film on his contribution was shown to the audience. Economics dept. remembered Mahatma Gandhi Ji on his death anniversary. Students presented PPTs to give a tribute to the Father of the Nation.

### IIC Activities : Promoting Innovation and Entrepreneurship

The Celebration Cell of IIC and the Eco Club celebrated National Pollution Prevention Day. The importance of using three-colour dustbins was explained to the college sweepers and the students were sensitized to the role of electric vehicles and vehicle pooling in reducing air and vehicular pollution. The Celebration Cell and the Eco Club celebrated Energy Conservation Day. A "Light Shut Down" drive was organized, during which lights and electrical appliances were switched off for one hour. The Celebration Cell and Home Science Department celebrated National Startup day. Sale counter was set-up for pickle prepared from kitchen garden vegetables, getting huge response from staff and students. NSS, Red Ribbon and the Celebration Cell celebrated National Youth Day in memory of Swami Vivekananda. The R&D and Innovation Cell organized two workshops on 'Research paper writing', AI and e-tools for Researchers'.
