

## Monthly Newsletter of Pt. Mohan Lal SD College for Women, Gurdaspur

### Achievers' Programme: Celebrating Excellence, Inspiring Tomorrow

An Achievers' Program was organised by IQAC of the college to honour and acknowledge students' exemplary performance and significant contribution in various fields during the academic year 2023-24. On this occasion, Ms. Vaishali Sharma, President, GGDSD College Society, Chandigarh, graced the occasion as chief guest. Additionally, Dr. P.K. Bajaj, General Secretary, Shri Jatinder Bhatia Finance Secretary GGDSD college Society, Local Management Committee and other members marked their special presence. The college Principal highlighted achievements of the college with special reference to NAAC 'A' Grade and 3 Star IIC ranking by MoE. Achievers Program included 77 students from various streams who had secured top positions in the merit list of Guru Nanak Dev University, Amritsar. In addition, students who ranked first in their respective classes, athletes who achieved international and national positions and students who performed exceptionally well in different clubs and committees were also recognized. Students were honoured with certificates of appreciation and Mementos. Ms. Vaishali Sharma congratulated the students for their outstanding achievements and motivated them to achieve higher goals in the future.

### Inter-College Regional Seminar: A Confluence of Ideas and Innovation

A Regional Seminar on 'India's Green Startups: Path to a Greener Future' was organized by PG Department of Commerce. Dr. Arwinder Singh from the Department of Business Management and Commerce, GNDU Regional Campus, Gurdaspur graced the event as the Chief Guest. He emphasized the significance of green startups in shaping a sustainable future and discussed the increasing role of business in addressing environmental concerns. 41 students from 14 different colleges of Jalandhar, Amritsar & Gurdaspur participated enthusiastically in the event. Students presented their insights on the theme through well-researched PowerPoint presentations, highlighting various dimensions of India's green startup ecosystem. The college Principal expressed her heartfelt gratitude towards the Chief Guest, faculty members, participants and research scholars from various institutions. She concluded by stating that the seminar provided a platform for young minds to explore and understand the impact of innovative, eco-friendly business practices in the modern economy.

### District- Level Workshop: Youth Empowerment

Two-Day District Level Training Workshop was organized by Assistant Youth Services and Red Ribbon Club, Gurdaspur. 63 participants from various institutions were participated. The programme focused on youth empowerment, life skills and holistic development. Dr. Gagandeep Singh apprised on water conservation, S. Tejpartap Singh Kahlon emphasized tree plantation and Mr. Suresh Kumar highlighted the importance of blood donation. Dr. Sarabjeet advocated for eye donation, Dr. Rahul addressed drug abuse and Mr. Manpreet Singh shared insights on employment opportunities. Government policies on environmental conservation and youth employment were also discussed. The workshop concluded with certificate distribution and college Principal commended the organizers for arranging such events.
