Lecture Series by Science Department

Botany and Zoology department organized a guest lecture on “Molecular Systematics: Overview of Flowering Plants from India.” The lecture was delivered by Dr. Mayank Dhar Dwivedi, Department of Botanical and Environmental Sciences, GNDU, Amritsar. Dr. Dwivedi delivered insightful lecture highlighting the role of molecular techniques in plant taxonomy and systematics. Eco Club and Botany department organized a workshop titled “Green Beginnings: Sapling Workshop” Again in this workshop Dr. Dwivedi, delivered an informative and engaging talk. Chemistry department organized a guest lecture on “Importance of Fats and Oils”. Associate Prof. Pawan Malik, Head, Chemistry Deptt. S.L Bawa DAV College, Batala was the resource person. He emphasized on the vital role of fats and oils in our daily life. Physics department organized a guest lecture on “Fundamentals of Special Theory of Relativity” by Prof. Gurinder Singh Kalsi, former Principal Government College Gurdaspur. The lecture focused on key concepts of Special Theory of Relativity proposed by Albert Einstein.

TechnoFun 2K-26

The Computer Science department organized an Inter-College Technical Festival “Technofun-2K26”. The festival witnessed immense enthusiasm and participation, reflecting the spirit of learning, competition, and collaboration among young minds. Mrs. Shalpu Duggal from the School of Computer Applications, Lovely Professional University, Phagwara, graced the occasion as the Chief Guest. She encouraged students to explore technological advancements responsibly and emphasized the ethical use of AI in academic and professional domains. Around 50 students from 10 neighbouring colleges actively participated in the festival. A variety of technical events such as PowerPoint Presentation, Art Gallery, Technical Quiz, Fast Message Typing, ad-mad show and open mic were organized to test the technical knowledge and creativity of the participants. Certificates and prizes were awarded to the winners from different colleges. The Overall Championship Trophy was secured by SSM College, Dinanagar.

Regional Seminar

The PG Department of Commerce organized an Inter-College Regional Seminar on “Transforming Traditional Commerce through Artificial Intelligence: A Pathway to Smart Commerce”. Dr. Balwinder Singh, Professor at the University School of Financial Studies and Coordinator, GJCEI, GNDU Amritsar, graced the occasion as the Chief Guest. While appreciating the usefulness of AI as a powerful tool, he cautioned that it should be used wisely and constructively, rather than becoming entirely dependent on it. The seminar witnessed enthusiastic participation from 72 students, 27 faculty members and 5 research scholars from 14 different colleges. Students presented their perspectives on the seminar theme through insightful and well-researched PowerPoint presentations. The Principal, apprised that the seminar served as an enriching platform for students and academicians to explore the emerging role of artificial intelligence in transforming the business landscape.
