Inter-School Competition

The Eco Club of the College organized an Inter-School Competition in the college campus 75 students from 12 different schools of Gurdaspur district enthusiastically participated in this competition. Various events such as Green Clicks, Best Out of Waste, Eco Craft Ideas, Poster Making, and Eco Model were organized to promote environmental awareness and creativity among students. The event provided an excellent platform for students to showcase their innovative ideas and creativity related to environmental protection and eco-friendly living. The college Principal encouraged students to adopt sustainable and environment-friendly practices in their daily lives. All participants were awarded participation certificates, while the winners were presented with plants as prizes, symbolizing the importance of eco-friendly ideas and green living.

Short-Term Course

The Department of English organized a short-term course titled "No Fear English!". The program aimed to build language confidence and core communication skills among students. The primary objective of this course was to enhance the four fundamental pillars of language learning—LSRW (Listening, Speaking, Reading, and Writing)—enabling participants to use English effectively without hesitation. The college Principal congratulated the students for their active participation and awarded completion certificates to 72 participants, validating their hard work and newly acquired skills. Dr. Dinesh Sharma, Head of the Department of English expressed her deep gratitude to college Principal for her constant support, motivation and valuable guidance.
