Respected Madam

It gives me pleasure for the great social works being carried out by the NSS students under your directions especially for the unprivileged children getting free education at Preliminary Education Study Centre Slum Area Maan kaur frequently. On 19.04.2023 your Welfare Section led by Mrs. Samita Khajuria Lecturer from this prestigious college had distributed fruits, stationery and other eatables amongst these children, thus bringing smiles on their pale faces. They also boosted their morale by giving them tips of mantra leading to success in their lives.

We will always be debited to them for their time to time help.

With regards

**TO WHOM IT MAY CONCERN**

It gives me pleasure to certify that faculty members of Pt. Mohan Lal SD College for Women under the able guidance of Dr Neeru Sharma, Principal are oftenly coming to Preliminary Education Centre, opened in the slum area of Vill- Maan Kaur, for delivering Lectures to teach 65 underprivileged children, after their working hours. This School has been opened by Ramesh Mahajan, National Awardee, under the banner of DCWC Gurdaspur but totally financed by him. They along with students of NSS and other social units constituted by college management also used to visit this school on various festivals/occasions like Diwali, Baisakhi etc. to distribute fruits, snacks and old clothes etc. to them after collecting from their respective sources.

With selfless volunteer services the management of this college is trying to bring smile on these children who are now taking keen interest in their studies and other curriculum activities too.

I wish this leading college of the District every success in future endeavor.

Respected Madam

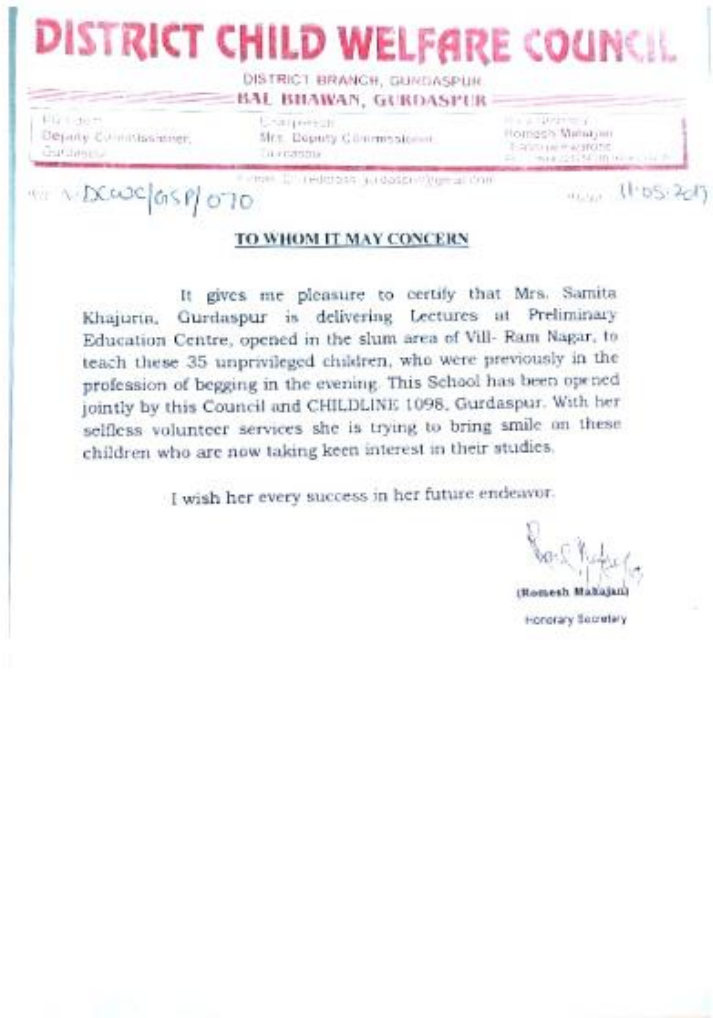

It gives me pleasure for the great social works being carried out by the NSS students under your directions especially for the unprivileged children getting free education at Preliminary Education Study Centre Sham Area Maan kaur frequently. On 19.04.2023 your Welfare Section led by Mrs. Samita Khajuria Lecturer from this prestigious college had distributed fruits, stationery and other eatables amongst these children, thus bringing smiles on their pale faces. They also boosted their morale by giving them tips of mantra leading to success in their lives.

We will always be debited to them for their time to time help.
